

ZEROS ARE NO LONGER PERMITTED

Mandatory tutorials during your lunch break for any student with zeroes in their classes will be enforced. Your teacher will discuss the zeroes with you, will contact your parent or guardian and then issue a ZAP. You will have the opportunity to bring your lunch or be provided a sack lunch from the cafeteria. Failure to attend your ZAP will result in a mandatory 2 hour tutorial after-school.

If you are not going into see your teacher, before and after school to get tutoring or to complete missing work, then you can expect to get zapped!
