BISD Student Online Learning Contract

This learning contract is an agreement of the mutual understandings and expectations of standards for parents and students to follow in order to help ensure success of the student in the online learning environment.

Student responsibilities:

I understand that I am responsible for fulfilling the following requirements:

- Maintain communication with the instructor regarding progress as defined in the course syllabus
- Devote appropriate time online for the completion of course work and study preparation
- Complete and submit all course work to the instructor by the deadline established
- Attend proctored examinations at an available time and location established by the district

Parent responsibilities:

- Provide online access and supplemental materials required for the course
- Monitor/mentor student throughout the course to ensure progress
- Communicate with the instructor at regular intervals or as needed (recommendation of once a week)
- Ensure transportation for proctored examinations in district

I clearly understand, and agree to the provisions of this Online Learning Contract.
